BUILDING THE FUTURE

MALVERN CUBE
COMMUNITY & ARTS CENTRE

JANUARY 2026 Issue 1.

WELCOME

To the first edition of our Building the Future newsletter! We're delighted to share that Malvern Cube has secured funding from the Malvern Hills District Council Community Legacy Fund to rebuild the north wall of the theatre. Building the Future marks a significant step towards ensuring the long-term sustainability of our much-loved venue. As part of the project we will be adding:

- A small theatre extension to provide much needed storage
- A new accessible toilet in the foyer
- A volunteer hub

To keep you in the loop, we'll be sharing regular newsletters with behind-the-scenes updates, progress reports, and details of upcoming fundraising activities. Thank you for being part of our community — exciting times lie ahead!

WHEN WILL IT HAPPEN ?

Exciting progress is underway! Before we can confirm exact dates, the project will move through a few key stages:

Stage 1. Planning Permission.
We're expecting approval for the extension this February - a major milestone!

01

Stage 2. Final Funding Push
By Spring, we aim to complete our funding target and meet all MHDC conditions. We're nearly there, with just £4k left to go! We'll be reaching out soon for your support to help us cross the finish line.

02

Step 3. Choosing a Builder
Next, we'll be inviting competitive quotes and tenders, with plans to appoint a builder by the end of March.

03

Step 4. Building Works
Construction will take about four months, with most work done externally. The final link into the Theatre/Hall is planned for the quieter summer period.

MATCH FUNDER SPOTLIGHT

We are very grateful to the Repair Cafe Malvern Hills who have generously donated towards this project. The Repair Cafe meet here on the 3rd Saturday in the month 10am to 1pm - a wonderful opportunity to repair items, reduce waste, and connect with others.

"Repair Cafe Malvern Hills held its first session at Malvern Cube in December 2012 and has built an enduring partnership with this vibrant, popular and much-loved community centre at the heart of Malvern cultural and social life. We are delighted to support its Building the Future programme and look forward to using it as our venue for many more years." – Jan Dyer
