# BUILDING THE FUTURE

MALVERN CUBE
COMMUNITY & ARTS CENTRE

**APRIL 2026 Issue 2.**

## WELCOME

To the second edition of our Building the Future newsletter! We're delighted to share some exciting progress since our last update. Planning permission has now been granted, and we're in the final stages of appointing a builder. Work is expected to begin over the summer.

Alongside this, our fundraising efforts have been in full swing. We're aiming to raise £4,000 towards the installation of an assisted WC within easy access to the Theatre, ensuring improved accessibility.

Here's what we've been up to recently:

- Completed an asbestos survey
- Launched a GoFundMe page **www.malverncube.com/help-us-build-the-future**
- Held two raffles, with prizes including a meal for two and four tickets to see Strange Futures - The Boy Who Read Aloud to the Sea
- Raised nearly £800 so far—thank you so much to everyone who has contributed!
- Promoted the project within the centre using posters and banners
- Shared updates through All About Malvern

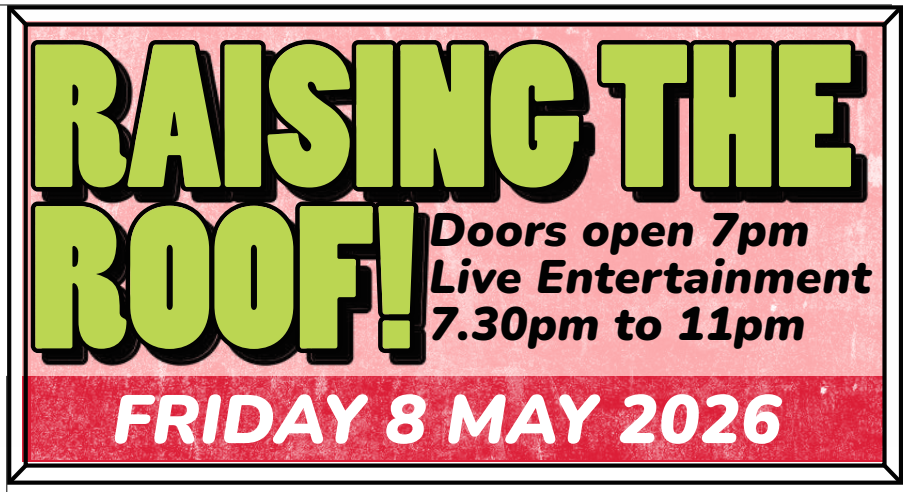

## HOW YOU CAN HELP ?

It's not too late to get involved! You can support us in any of the following ways:

**Suggestion 1. Run a small fundraising activity**
If you're hiring a room with us, why not add a little fundraising activity to your session? Drop by the office—we'd love to help you get started!

**Suggestion 2. Organise a community event**
Not hiring a room? You can still get involved! Why not organise a fundraising activity within the community —like a sponsored walk, quiz night, or something fun of your own making?

**Suggestion 3. Donate**
You can easily support us by dropping a donation in the café box, placing one in the red box at any event, or giving directly through our GoFundMe page.

We're planning a special fundraising evening—Raising the Roof—on Friday 8th May, so please save the date! It will be a relaxed night of music and spoken word.

Tickets are available on our website: https://www.malverncube.com/ticketed-events/ - with a "Pay What You Can" option, and we'll also be collecting donations on the night.

We hope you can join us!

## COMMUNITY FUNDRAISING SPOTLIGHT

One wonderful example of a group getting involved is the U3A Table Tennis Club. They're hosting a fundraising tournament in April, giving members the chance to sharpen their skills while raising money for our project. It's a fantastic way to combine fun, friendly competition, and community support all in one!

"We're thrilled to support this project! Malvern Cube is the perfect place for our table tennis club—where people can meet, make friends, and stay active" – Vernon Jones
