BUILDING THE FUTURE

MALVERN CUBE
COMMUNITY & ARTS CENTRE

JULY 2026 Issue 3.

WELCOME

To the third edition of our newsletter!
After months of planning, fundraising and preparation, we are now moving into the construction phase.

Work is due to start on the 1st of September, the first phase focuses on constructing the theatre extension, creating much-needed additional storage space. During October and November, work will continue with the transformation of the cleaning store into a fully accessible toilet, raising the floor in the caretaker's workshop, and installing a new sink. If all goes to plan, we're aiming for completion end of November.

Here's what we've achieved since our last newsletter:

- Builder appointed! We're pleased to be working with Cortis Construction Ltd.
- Building regulations have been submitted.
- A skip has arrived, and we've started clearing and organising the cleaning store and workshop.
- Our Raise the Roof fundraiser in May raised approx £1300 and its not too late to support us! Donate via GoFundMe or organise your own event.
- Drainage surveys underway.
- Sunflower fundraising competition launched.

WHAT YOU NEED TO KNOW

We will do our best to keep disruption to a minimum. If you have questions, please pop into the office—we're happy to help. Key information below:

1. Installation of a Works Compound
A secure compound will be set up in the car park next to the skip, temporarily reducing parking by four spaces for the duration of the build.

2. Working Hours
Building work will generally take place Monday to Friday, between 8.30am and 4.30pm. There will be some noise during this time, and we appreciate your patience whilst work is underway.

3. Regular Activities
We're pleased to say that all regular room hires will continue as normal throughout the works. Events will return from 2 October.

We're delighted to announce that more than 40 artists have responded to our 'A4 for the Cube' fundraising shout out!

Each participating artist is donating £10 to support the project in return for exhibiting their work in the café this autumn. An online exhibition brochure will also be produced, and many of the artworks will be available to purchase, with a commission from sales donated to the Cube.

COMMUNITY FUNDRAISING SPOTLIGHT

Extend Exercise has raised an incredible £150 for our project! These popular classes to music help older adults improve strength, mobility, posture and balance in a fun and supportive environment.

Sessions, led by qualified physiotherapist Ann, take place on Wednesdays (9.45–10.45am and 11.00–12 noon) and Thursdays (9.15–10.15am), with exercises suitable for both seated and standing participants.

"We really enjoy exercising here and we are proud to support this project!" – Ann Oldfield

HOW TO GET IN TOUCH

If you have any queries or questions, please do not hesitate to contact the team on
